PLEASE VISIT ETC'S WEB SITE (www.engtech.ca) FOR FULL COURSE DETAILS AND UPDATES

Course fees are **\$1250 per person +162.50 HST** for members of the *NB Association of Onsite Wastewater Professionals (NBAOWP)* or **\$1350 +\$175.50** for non-members. Membership status will be confirmed with the NBAOWP. Fees include: all course materials, handouts, site assessment reference charts and aids, NS Simplified falling head permeameter, sand sizes reference card and water bottle for soil texturing. Lunch is on your own. ETC Pask Permeameter Kit (for testing natural soil, recommended but optional) may be ordered online from our web store at DynamicMonitors.com. A 15% discount will be provided for course registrants.

Please confirm your interest by pre-registering as soon as possible, otherwise the course may not go ahead due to insufficient numbers. You are encouraged to pay as soon as possible to ensure your seat in the course. Payment must be received by May 31, 2015 and you may cancel with a full refund up to that date. Payment may be made online at DynamicMonitors.com or by cheque or credit card by calling 1-888-747-7645 (SOIL). Final confirmation the course will proceed will be sent on June 1, 2015.

Please e-mail completed form to: admin@engtech.ca or fax to: 902-628-1703
Cheques may be made payable and mailed to: ETC Ltd, 1-16 Myrtle St., Stratford, PE C1B2W2

No requests for refunds or cancellations will be accepted after June 1, 2015 unless the course is canceled due to insufficient numbers. If you will not be able to attend, you may ask to substitute another person in your place.

As per Section 4(3) of the NB On-site Sewage Disposal System Regulation, a license for a non-conventional system will only be issued to the person holding a valid conventional system license.

Questions? English inquiries email admin@engtech.ca or call ETC: 1-888-747-7645 (SOIL)
